*******NOTICE TO TCSG TESTING FACILITY*******

Please do the following in regard to using the ASSET or COMPASS for testing potential peace officer academy students (law enforcement and corrections/probation):

1. Ask to see a copy of the student's Georgia Peace Office Standards and Training Council Entrance Examination Access Form (do not keep this form—the student needs this form for P.O.S.T.-related business).
2. Charge the student the normal application fee.
3. Enter the application into BANNER with the following codes: (POSTL) for law enforcement or (POSTC) for corrections/probation
4. Test the student (normally, you will be using COMPASS).
5. Provide the student with test results as quickly as possible (if you are using COMPASS, in most instances, you should be able to give the student a copy of the results as soon as the testing is completed). Official test results should be printed and placed in a sealed technical college envelope. You may also provide students with a second copy, for their records.
